

Student Venture Rocky Mountain Getaway 2011

Student Venture's Getaway is a six-day mission experience that gathers students from high schools around the country to have fun, forge new friendships, step out in faith, fuel a passion for Christ, and be trained to reach your campus. Spend the week growing in your walk with God, exploring biblical truths and learning how to talk to your friends about your faith.

Our theme is "First Things First" based on Matthew 6:33. Find out what is most important in life and discover how to make today count *forever*.

This conference is open to all high school students and youth leaders, including graduating seniors and incoming ninth graders. Student Venture teams bring students and volunteers to these locations, and youth groups and individuals are invited to join us.
