

Hey there friend!

Are you all about getting in on the action? If you are like me, you don't like to sit on the sidelines when things are happening, especially when God is up to some amazing exploits!!!

“The LORD replied, "Look at the nations and be amazed! Watch and be astounded at what I will do! For I am doing something in your own day, something you wouldn't believe even if someone told you about it.”

~Habakkuk 1:5

And you know what...He is! I've been listening and watching with my own eyes, the new things He is up to in your generation, and among the nations! Who would have imagined:

- ❖ Just last summer in Kenya over 12,000 students heard the gospel in our school presentations and over 1,000 indicated that they received Jesus!
- ❖ In Brazil we had so much fun connecting with students as they listened to our stories and God opened an opportunity to share with Anna, a girl from Sweden. She trusted Christ and is excited to go back and reach her friends!
- ❖ East Asian youth are so hungry for the truth!
- ❖ Our staff in Russia, Hungary and Bulgaria are seeing young disciples raised up.

That's it, spiritual movements of youth all over the world that you can be a part of launching! God is inviting you to join Him in His mission! Think about it...wonder...could He be calling you? I hope so!

With eager expectation to see His Great Commission fulfilled!
